

**Chinese Language Teacher Education Program (CLTE)
Survey on General Interest in Teaching Chinese**

As an ongoing effort to provide our teacher trainees continuous opportunities for training and development, we would like to hear your thoughts, suggestions and feedback. Please check all the topics you are interested in learning and please do not hesitate to be an active participant contributing your expertise, sharing your experiences, and reflecting your knowledge upon common practices.

Please rank the following points from 1-3 by order of priority (1 being the lowest and 3 being the highest). You may also suggest additional topics that are not listed on this survey.

- _____ Learning the reading and writing of Pinyin
- _____ Learning the reading and writing of Chinese characters
- _____ Learning listening and speaking through GAMES
- _____ Learning language usage through songs
- _____ Learning language through drama
- _____ Learning language through arts and crafts
- _____ Managing and orchestrating a learning environment – classroom management
- _____ Learning through pair work and cooperative learning groups
- _____ Sharing and making hands-on classroom materials
- _____ Sharing teaching resources – array of texts, games, and teaching materials
- _____ Understanding basic language learning principles
- _____ Sharing and discussion dilemmas in teaching Mandarin
- _____ Others:

Have you heard about our CLTE program? YES NO if yes, where: _____
